

Where to find French books, periodicals, audiovisual materials and objects

Last update: August 15, 2019

Want to start up your collection of French literature but not sure where to find the hottest new titles? Would you like to add French flair to your home by decorating *à la provençale*? Here is a list of websites and stores where you may find French books, DVDs, language learning materials, home furnishings and much more.

Bookstores with French collections in the New York area
