

FIAF Library eBook User's Guide for NOOKs, Android phones and other compatible devices

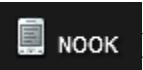

- First, contact library@fiaf.org to get your Library eBook ID and password.
- Next, **download Adobe Digital Editions onto your computer** through the [FIAF Library eBook catalog](#). You must also follow the prompts to authorize your computer by creating an Adobe ID. Remember this ID as you will also need it to authorize your eReader device!

1. In the FIAF eBook catalog, find the book that you would like to download and click 
2. Enter your library eBook account number and password.
3. Click 
4. A dialog box will appear asking if you would like to open or save the file. On a PC, Click  On a Mac, 

5. **Connect your eReader device to your computer.** For any device that is not the Nook, you must first download the Nook app via your device's app store.
6. In Adobe Digital Editions on your computer, click  in order to find the eBook that you have just borrowed.
7. Click on the image of your eBook and drag it into the  icon (or the icon of your eReader device) on the left of the screen.
8. Eject your device, enjoy your book!

- **To return a book early**

All books will automatically be returned at the end of their lending period. If you would like to return a book early:

1. Open Adobe Digital Editions on the computer and click 
2. Hover your mouse over the image of the book that you would like to return and an arrow will appear in the top left corner of the image. 
3. Click on the arrow and choose 
4. **In order to remove the book from your device**, connect your device to your computer.
5. In Adobe Digital Editions, click on  (or icon of your eReader device).
6. Hover your mouse over the image of the book that you would like to return, click on the arrow that appears and choose
