

Welcome to FIAF's John & Francine Haskell Library—a vital key to your language-learning success!

Our goal is to provide you with materials that will help you on your way to learning the language and culture of France.

This guide will highlight some of the resources in the Library at your class level and will provide you with suggestions and ideas for materials to complement your activities in the classroom. The items listed here are just a few examples of the materials available to you!

Any item in the Alexandre and Jacques Leviant *Centre d'auto-apprentissage* (the "CAA") with a BLUE LABEL is appropriate for level A2.
